The Class of 2013 would like to dedicate their yearbook to:
Mrs. Donna Saucier

Mrs. Saucier has been a teacher at MHS since 1974! Since that time, she has spent many years helping students and advising numerous clubs. She organizes National Enterprise Day and student internships. In addition, Mrs. Saucier is in charge of the Business Club for which she plans yearly trips to either New York or Boston. The class of 2013 would like to thank Mrs. Saucier for all of her hard work and dedication.

A special thank you to the class officers and advisors. The class of 2013 appreciates everything that you've done to make this year amazing and memorable.

"Family!"

Seniors

Captains

Everyone on the boys' varsity soccer team agreed that the entire season was fun. It was easy to have fun when the team was winning, with the only loss coming in the third game. The boys were not out there playing as a team; they were playing as a family, for each other. Winning the SWCL title for the first time since 1986 was such an accomplishment. This had been the boys' goal since the beginning of the season and they were able to meet that goal through all of their hard work and dedication.

The senior captains Zach Garnes, Ben Letiecq, Zach Richard, Kyle Santoro, Guy Vigneau would like to thank Coach Ginisi and the underclassmen for an amazing season.

Captain & Senior

What the Lady Woolies achieved this season was beyond all expectations. With a team consisting of six eighth graders and one seventh grader, the girls were always out-sized. The team captain and only senior, Olivia Baroni, said, "I am so proud of how hard we fought this year and I am so glad this was the team I got to play with my senior year." Olivia has never seen a team play with as much heart and determination as they did when they played Auburn. In her eyes, the team won that game and she is very proud of everyone.

Even though the last time that the girls played together was not their best game, they fought hard until the last minute. Good luck next season to all of the returning players!

"We love Volleyball Woo!"

Captains

The girls' varsity volleyball season was long, difficult and even made history. The team finished the regular season 13-7, losing the last five games of the season, but they went into districts with a positive attitude and full potential. For the first time in Millbury history, the 2012 girls' varsity volleyball team won the Division 3 District Tournament. In that tournament, the girls played one of their rivals, Millis, in the district final match, and swept away the title with a record of 3-0. The team went further into the tournament to play in the state semi-final match against Lynnfield, but lost 3-1. Their season was the best and most successful in MHS history. The girls were thankful that they always had great support from the student body and the town. The 2012 season will be one to always remember.

"Leave no bridge uncrossed!"

Seniors

The 2012 Millbury girls' cross country team can only be described by one word: Family. From the first practice of the season in August to the final meet in November, every mile we ran, every step we took, we did it together. Together we stood strong against our opponents, like long time rivals Uxbridge, and found victory. Though we faced a few losses as well, we never missed an opportunity to push ourselves and each other, growing closer along the way. By the end of October, we raced our way to third place in the league, and even placed second at the league meet. With talent and passion from senior veterans and 7th grade new comers, and each grade in between, the lady Woolies ran a great overall season. They finished strong, all while forming life long friendships.

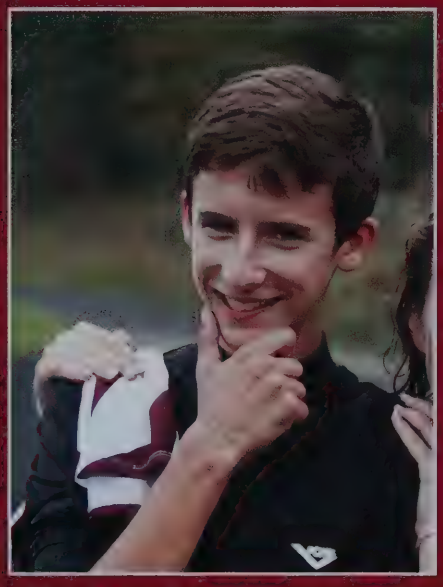
"The faster you run, the faster you're done"



This boys' cross country season was more different than most. We had a young and small team but that does not mean that we had a bad season! We won a good number of meets and came close to winning even more. We all worked hard to improve our strides, times and stamina and we bonded as a team as well.

Some of the meets were difficult, but everyone always tried their best. Our coaches pushed us hard and kept up our spirits. Thanks for keeping us motivated. We worked hard but had fun too and we are ready for next season! Everyone is looking forward to it and hoping that we will excel next year.

Senior

Captain

This season the varsity golf team had high hopes of succeeding but they did not finish as well as they had expected to. The team worked hard to do their best during each and every match. It was a fun season, and team captain Anthony Gabriella, along with other players like Ryan Ward and Colin Huban had a great year. The team's match against Grafton was an especially tough one, but the team did not let it get their spirits down.

This young team has great potential and a bright future. They would like to extend special thanks to Coach Mazzone, Mr. Mara, Mrs. Vasil and Mr. Healy for all of their help and dedication to the team. Anthony Gabriella said he had a very memorable year and he hopes the rest of his team has a great season next year. Good luck!

Seniors

The Millbury Varsity Football team had a season full of ups and downs. The team started off with three straight wins against Assabet Valley, St. Bernard's, and Uxbridge. The boys gave a valiant effort but lost to the eventual Division 2 Super Bowl Champions, Auburn, and then again to Leicester in back to back weeks. The boys went 2-4 in the remaining 6 games with wins against Burncoat and Southbridge on Senior Night. Sadly, the team ended its 12 year winning streak against Grafton on Thanksgiving this year when they lost 37-6. Millbury made the playoffs for Division 4 but lost a heart-breaker to Northbridge in the game that ended their season. The Telegram and Gazette recognized Randy Mogren, Nick Mogren and Ross Sudar as Division 4 all-stars. Congratulations on a great season.

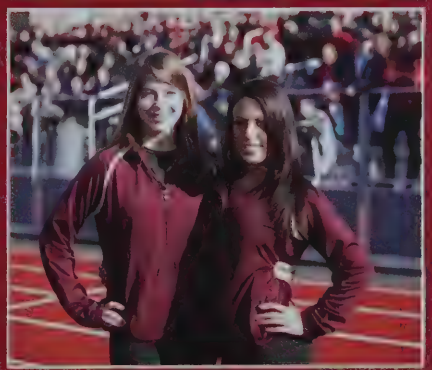
"One Team One Sound"

Captains



With a small team of 12 girls, the varsity cheerleading team was able to hit stunts and dance routines that allowed them to gain commendable scores in competition and have a very successful season. The fall was marked by success after years of rebuilding. With the hard work of both the girls and coaches, the team's routine was better that it had been in years. Their amazing routine even got the team as far as the regional competition level.

The seniors and captains, Lauren and Chloe, would like like to thank their coaches and the underclassmen for such a great season. There were so many good times and memories. Good luck next year ladies!

"I like this team!"

Seniors

The Lady Woolies had a fresh start this season with many new faces. The team was seen as the underdog by some going into the regular season. With that being said, the girls became a close-knit team, like family. They worked hard everyday and overcame the challenges that led to a very successful season. Some highlights include beating their rivals, Northbridge and Sutton, along with tying for the SWCL Championship for the third year in a row. The girls worked hard together as a team with an overall winning record of 14-8. The girls' basketball program has been strong for many years and will be for many years to come. Best of luck to the returning players next year; the seniors will be greatly missed!

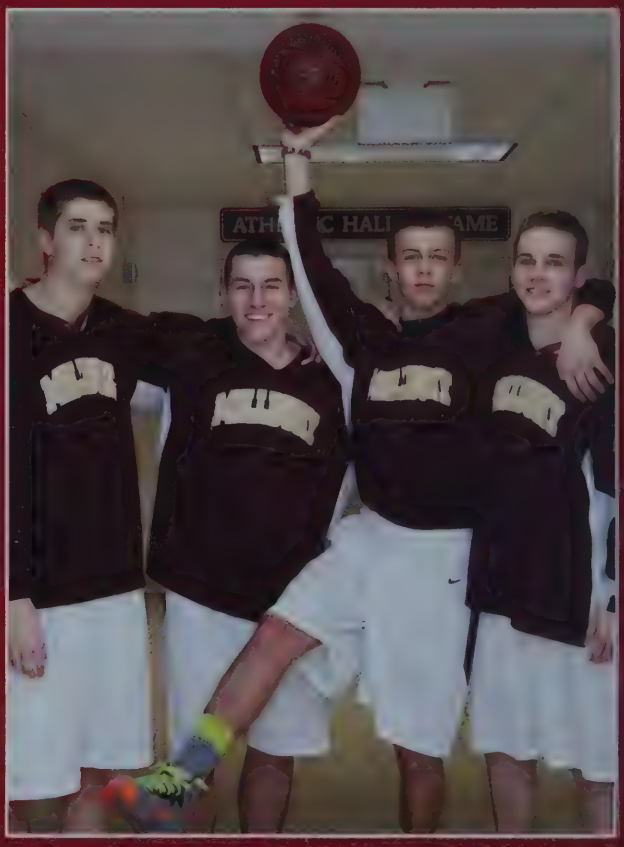
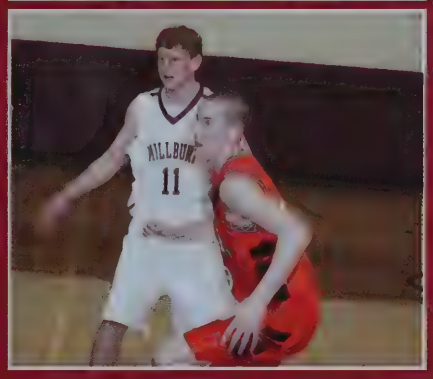
"We might not win, but we look good!"

Seniors





The boys' varsity basketball team had a difficult season this year due to injuries and illnesses. Unfortunately their record represented more of a rebuilding season. However, the Woolies started off their season strong with a nice win against Leicester.

The team worked hard practicing diligently and always staying together. This group of guys had a lot of fun this season playing in many nail-biting games that came down to the last seconds.The team had many good memories and a lot of laughs. We we would like to thank all of our coaches and everyone who helped out this season. We ball hard!!

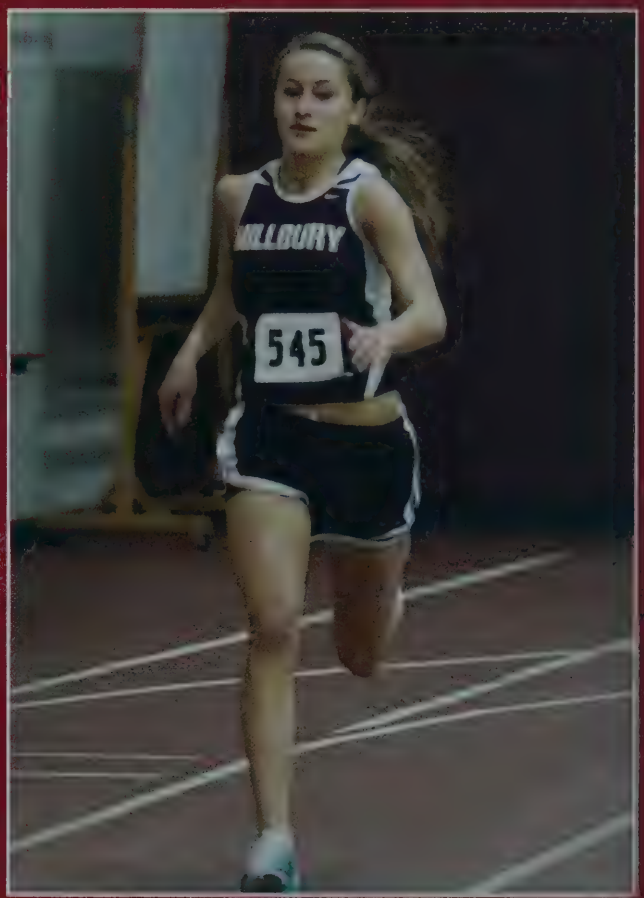
"1,2,3 Lady Woolies!"



For the girls' indoor track team, this year brought many new challenges for all. Losing four seniors from the previous year, many thought the team would have a disadvantage. However, we gained a variety of new members. With everyone's hard work, dedication, and support from the coaches, the season turned out successful. There were multiple personal bests that were achieved throughout the season, most of which led to districts or even state qualifications. Gabby Prominksi, Jenny Quan and Kelsie Cummings were the only three team members that qualified for states. As for the seniors, they would like to thank the team for all of their hard work and such a memorable season!

"Do your best!"

Seniors

It was a rebuilding year but the boys' indoor track team had a lot of fun together. Anthony Gabriella, Peter Jenkel, Frankie Gallagher, Rhett Champagne, Anthony Bianchi, and Christian Bourgeois all made districts.

With only two seniors and a few more juniors, the team wasn't expected to go far and win many meets. The seniors' main purpose was to help the young team get better and improve for the future. However, the upperclassmen still competed strongly and placed in the top in their individual races and team relays. The seniors hope that the team will continue to improve when they leave. Good luck to the future team and thank you to the coaches for always being there.

"Home run!"

The girls' varsity softball team has high hopes that this season will be a good one. With six returning seniors from last year, and many strong underclassmen, we should definitely see a lot of improvement from the previous season.

The girls have been practicing really hard and preparing to have a positive season. The senior captains, Delaney and Sarah, are great role-models for the team. Hopefully they come out with a winning record, and have success in districts. Everyone is really looking forward to this season. Good luck ladies!

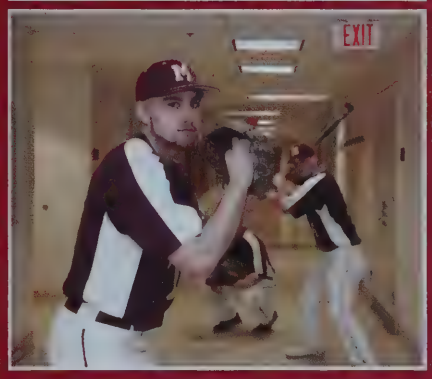
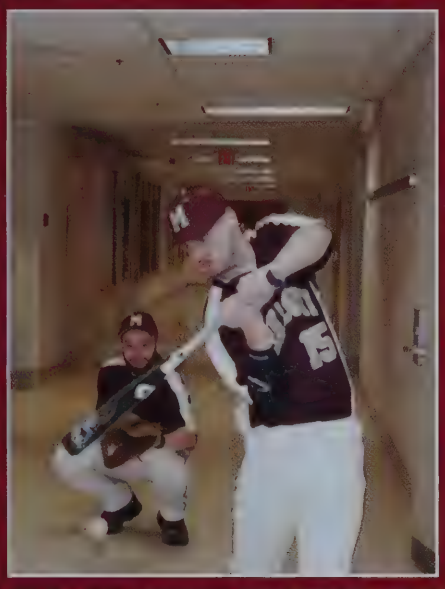
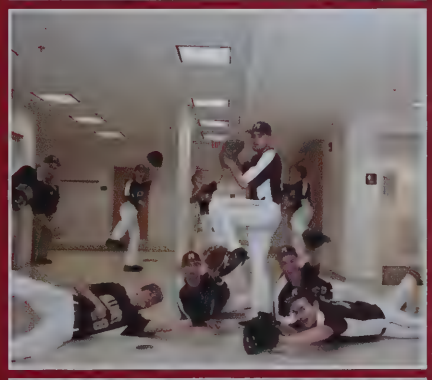
"BALL! ORDER!

Captains







The boys' varsity baseball team has a lot of potential to have a great season. With nine returning seniors, the drive to win is very strong. Dominating the mound the season are senior players Michael Woll and Kyle Niemiec.The team also has strong underclassmen that will fit their roles perfectly.

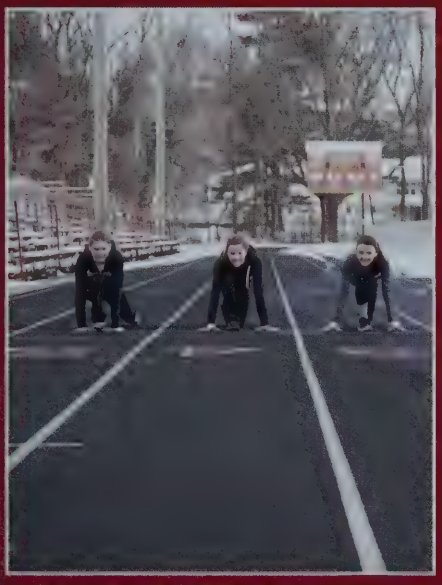
During this season with our new coaches and new players, the guys will be learning and growing as a team. This is sure to be a fun season. The guys have high hopes for a lot of wins.

Girls' Track

Coach: Mike DiGangi **Assistant Coaches:** Chris Settle, WIlliam Blunt
Team: Caitlin Wilbur, Cassie Stockhaus, Ashley Cronan, Alexis Quire, Olivia Dean, Amanda Larson, Statia Morgan, Amanda Anderson, Sandie Carrignan, Marissa Moquin, Ivy Richter, Emily Weagle, Sam Callejo, Ariel Dubey, Gianna Okuliczki, Allie Dyson, Jenny Quan, Anna Army, Paige Tarasiak, Julia Lucier, Kerrin O'Leary, Jess Reumann, Atalia Carrignan, Hannah Bishop, Emma Turner, Alexis Violette, Paige Rembiszewski, Madison Bruegger, Robyn Thornburg, Taylor Tyan, Erika Nordstrom, Kaylee Lambert, Abby Flaherty, Keryn Reno, Sarah Vickstrom, Payton Bruegger, Brooke Nadeau, Gabby Prominski, Molly McCausland, Chelsey Pousland, Abby Thurlow, Lindsey Crain

"Go Team"

Seniors



Despite the 30 degree weather and snow on the ground for the first day of practice, everybody was in high spirits and ready to run. The three coaches, Coach DiGangi, Coach Blunt and Coach Settle, all have great hope and confidence for this years' 2013 girls track season. The team was lucky enough to have several new members, many who are 7th graders, but some high school students as well.

During the 2012 season, the girls went undefeated in SWCL and placed first during the district championship meet. This season, the girls hope to have a repeat of last year and will be sure to work their hardest and put in their best effort all season to have great outcomes!

Boys' Track

Coach: Mr. Settle **Assistant Coaches**: Mr. Avakian, Mr. Digangi, Mr. Blunt
Team: Enzo Croghan, Zach Quadagno, Logan Gasco, Alfred Karoma, Antonio Venturium, Frankie Gallagher, Scott Yaghoobian, Connor Mcfaul, Adam Nunez, Rhett Champagne, Nolan Wright, Mike Morley, Steven Richmond, Mike Ward, Anthony Bianchi, Noah McDuffie, Kyle Walsh, Jake Robbins, Max Bravo, Sean Westerlind, Enrique Guilherme Owen Westling, Andrew Turco, Christian Bourgeois, Evan Robinson, Anthony Gabriella, Anthony Peare, Kevin Santiago, Nick Towler

"Age doesn't matter; It's all about the dedication."

The boys' track team is a really big team consisting of many younger students. A good season is in the making because of star trackies such as Anthony Gabriella, Logan Gasco, Rhett Champagne, Frank Gallagher, Anthony Bianchi and Alfred Karoma. There are only two seniors on the team, but they will do their best to lead the others to a good season. Logan Gasco is the best thrower in the school and aiming to set records. In addition, Anthony Gabriella is the top mid-distance runner with hopes of leading the team to a SWCL banner. It's going to be a fun and very accomplished season.
